## Creating Wealth Beyond Money

Catholic United Financial

Creating Wealth Beyond Money: Who pays for long-term care expenses, such as non-medical services for dressing, bathing and other daily activities? Medicare does not pay, nor does health insurance. Medicaid will pay for services, but only after an asset-depleting spend-down of an estate. Most long-term care services are self-funded. Have you considered these costs as part of your retirement plan or estate plan? Ask for assistance on this topic from your local Member Advisor.
